The screenshot shows the 'E-Test Module 1.1' interface. At the top, a progress bar indicates the current step: 'Question 1 of 4'. Below the progress bar, there are navigation buttons: 'Back', 'Overview', 'Completion', 'Go to...', and 'Next'. The main content area displays a question: 'Which characteristics belong to a holistic worldview? (Please select all that apply)'. The question is followed by a list of seven options, each with an unchecked checkbox:

- Dynamic relationship of all parts
- Price mechanism to clear the market
- Invisible hand to balance interests
- Nature and humans to be managed by economy
- Industrial efficiency and risk mitigation
- Economies are governed by the same rules as nature
- Humans as part of the environment
- Regenerative economy

The 'Grade: 1' is displayed in the top right corner of the question area.

The screenshot shows the 'E-Test Module 1.1' interface after the test is completed. The progress bar now shows 'Question 4 of 4' and 'Completion'. A green bar highlights the 'Close' button in the top right corner. A text box with a dashed border contains the following text:

If you have passed the test the tool will tell you about it. The next Learning Phase will open up. Select „Close“

The main content area displays the result: 'You have successfully finished!' and 'You reached 3.0 points. For succeeding were 2.0 of 4.0 points necessary.' A 'Review' button is visible at the bottom.

The screenshot shows the 'E-Test Modul 1.1' interface with a checkmark icon and the title 'Learning material'. A 'Close' button is in the top right corner. A text box with a dashed border contains the following text:

You can review the answers if you want. Select „Close“ to go to the next Learning Phase. The Test is set to done and shown in green.
